1. INTRODUCTION

First, we would like to thank you for choosing a 2GR product. These instructions have been created to provide a general understanding of the product, usage guidelines, maintenance procedures, and all necessary information for its PROPER FUNCTIONING.

2GR reserves the right to apply changes or improvements to its products and these instructions at any time, without obligation to update previous versions.

The parts illustrated in these instructions are not interchangeable with parts from products already in the possession of the consumer/distributor.

Interchangeability across different batches is not guaranteed.

Retailers/wholesalers must provide these instructions to the end consumer at the time of sale.

Do not remove, tear out, or rewrite any part of this document. Store these instructions in a protected place for future reference.

Keep the proof of purchase alongside these instructions.

2. RESPONSABILITY AND WARRANTY

Minimum legal warranty applies to manufacturing defects. For warranty replacement, the product must be returned ex-works, in its original packaging. Warranty does not cover products that:

- have been modified without explicit manufacturer authorization.
- were damaged during transport.
- have been improperly assembled.
- were used improperly or for purposes other than those stated.
- have had parts replaced with non-original components.
- have undergone normal wear and tear due to time.

3. LEGAL REFERENCES

The product complies with obligations under EU Regulation No. 2023/988 of 10 May 2023.

The product is identified by the article code.

4. SCOPE OF APPLICATION

These instructions apply to the products listed under the ARTICLE CODE/S section.

5. REPORTING / CLAIMS

Any feedback from consumers (e.g., complaints, incident, or safety reports) should be directed to the retailer/wholesaler who sold the product.

If the distributor/retailer receives such reports, they must forward them to the manufacturer without delay.

6. DESCRIPTION AND/OR GENERAL PRODUCT INFORMATION

The Reggio Bath Art. 049 is an external bird bath designed to be attached to the outside of the cage to promote the well-being and hygiene of birds. Made of transparent plastic, it allows for easy monitoring of the water level. The mesh bottom provides a stable grip, preventing slipping, while the iron wire attachment system ensures sturdiness and compatibility with various cage types. Thanks to its spacious and functional design, it is an ideal solution for maintaining the bird's daily hygiene.

The External Bath Cod. 318 is a bird bath designed to be attached to the outside of the cage to promote the well-being and hygiene of birds. Made of high-quality transparent plastic, it allows for easy monitoring of both the water level and the bird's activity. Its plastic hook attachment system ensures a secure and stable fit, making it compatible with most cages. The ergonomic design and optimal dimensions make it a practical and effective solution for supporting daily bird hygiene.

7. TARGET CONSUMER CATEGORY

Product suitable for bird breeders aged 14 and over. Individuals with disabilities should be supervised during use.

8. ITEM CODE(S) AND IDENTIFICATION

- Cod. 049
- Cod. 318

The product is identified by a label applied to the primary packaging, indicating the above product code.

Alternatively, if applicable, identification may also be on the secondary sales packaging, as in this specific case.

9. PACKAGE CONTENTS

Art. 049 – No. 1 bath with iron wires

Art. 318 – No. 1 bath with plastic hooks

10. PACKAGING QUANTITY

Art. 049 – Primary packaging: box of 24 pcs

Art. 318 – Primary packaging: box of 12 pcs

11. STORAGE (before use)

Store in a dry place, away from direct heat sources and humidity. Avoid prolonged exposure to sunlight to preserve the material quality.

12. DELIVERY CONDITION

The product is sold to the distributor and/or retailer in a cardboard box.

13. PRODUCT PRESENTATION

If the product is damaged, incomplete, or shows any irregularities, do not use it. Contact the retailer for a replacement.

The product does not require assembly, it only needs to be attached to the cage.

14. ASSEMBLY

The product does not require assembly before use; it must be applied exclusively to the outside of the cage, aligned with the large cage doors.

For bath model cod. 049, simply bend the iron wires to form a hook — we recommend using pliers and gloves.

15. PRELIMINARY ACTIVITIES BEFORE USE

Before attaching the bath to the cage, the user must fill it with no more than 1.5 cm of water, ensuring that the level is appropriate for the animal's needs.

17. PRODUCT LIFESPAN

Once installed and used in accordance with the instructions provided herein, the product will last for at least 1 year.

16. WARNINGS

Keep packaging and small parts out of reach of children and animals. In particular, cellophane bags may pose a suffocation risk.

In the event of a fall, check the integrity of the product before reuse.

The user must ensure safe working conditions and avoid any potentially dangerous situations for themselves or others. Strictly adhere to the intended use specified herein; any other use is PROHIBITED and considered improper.

Vulnerable and/or highly vulnerable individuals may only approach the product if accompanied by a responsible adult.

The bath contains a modest amount of water; however, in case of accidental leaks, even this small quantity may cause irreversible damage to materials highly sensitive to moisture. It is therefore recommended to place the product — or the cage to which it is attached — with this scenario in mind.

For product Art. 049, take particular care when handling the bath, as the iron wires in the fastening system may cause injury.

22. INTENDED USE / PERMITTED USES / HOW TO USE

The Reggio Bath Art. 049 and the External Bath Cod. 318 are bird baths designed for small to medium-sized caged birds, such as canaries, budgerigars, lovebirds, zebra finches, and other small domestic passerines.

Permitted uses:

- The product is intended exclusively for external use, to be attached to the cage at the designated openings.
- It must be used with clean water only, without adding detergents or chemical substances that could be harmful to the animal.

How to use:

- Fill the bath with an appropriate amount of water before attaching it to the cage.

Securely attach the bath to the cage:

- Art. 049: Fix using the iron wires, ensuring it is firmly attached.
- Art. 318: Use the plastic hooks for secure installation.

Monitor the bird while using the bath and replace the water regularly to maintain hygiene and safety.

Periodically remove and clean the bath using warm water and a soft cloth.

23. PROHIBITED USES

- Do not remove the bath while the bird is inside, to prevent it from escaping.
- Do not use the bath for purposes other than bird care. It is not a toy.
- Do not leave the product within reach of children or pets to avoid damage or accidents.
- Do not expose the bath to heat sources, open flames, or excessive humidity, as it may deform or deteriorate.
- Do not force the fixing hooks to fit incompatible cages, as this may cause breakage or unstable installation.
- Use in environments intended for human food is strictly prohibited.

24. MAINTENANCE / CLEANING

To ensure longer product life, regular maintenance is recommended.

- Clean with warm water and a mild detergent.
- Do not wash in the dishwasher.
- Do not use water above 40°C.
- Wash separately from other items used for different purposes (e.g., food-related items).
- Do not dry the product using heat sources such as an oven, hair dryer, or direct sunlight, to avoid deformation or damage.
- Use only soft cloths to avoid damaging the product surface.

25. STORAGE DURING TEMPORARY NON-USE

Before storing the product, wash all parts thoroughly with warm water and a mild detergent, and dry completely to prevent mold or unpleasant odors. Once dry, store the product in a dry place, away from humidity and direct heat sources, to preserve its condition over time.

26. DISPOSAL

The product must be disposed of in accordance with the regulations in force at the place of use.

If you do not have access to the internet and cannot download the user instructions from www.2g-r.com, please contact the retailer from whom you purchased the product to request a printed copy before use.

The retailer is required to provide you with printed instructions upon request.
