1. INTRODUCTION

First, we would like to thank you for choosing a 2GR product. These instructions have been created to provide a general understanding of the product, usage guidelines, maintenance procedures, and all necessary information for its PROPER FUNCTIONING.

2GR reserves the right to apply changes or improvements to its products and these instructions at any time, without obligation to update previous versions.

 The parts illustrated in these instructions are not interchangeable with parts from products already in the possession of the consumer/distributor. Interchangeability across different batches is not guaranteed. Retailers/wholesalers must provide these instructions to the end consumer at the time of sale.

Do not remove, tear out, or rewrite any part of this document. Store these instructions in a protected place for future reference. Keep the proof of purchase alongside these instructions.

2. RESPONSABILITY AND WARRANTY

Minimum legal warranty applies to manufacturing defects. For warranty replacement, the product must be returned ex-works, in its original packaging. Warranty does not cover products that:

- have been modified without explicit manufacturer authorization.
- were damaged during transport.
- have been improperly assembled.
- were used improperly or for purposes other than those stated.
- have had parts replaced with non-original components.
- have undergone normal wear and tear due to time.

3. LEGAL REFERENCES

The product complies with obligations under EU Regulation No. 2023/988 of 10 May 2023.

The product is identified by the article code.

4. SCOPE OF APPLICATION

These instructions apply to the products listed under the ARTICLE CODE/S section.

5. REPORTING / CLAIMS

Any feedback from consumers (e.g., complaints, incident, or safety reports) should be directed to the retailer/wholesaler who sold the product. If the distributor/retailer receives such reports, they must forward them to the manufacturer without delay.

6. PRODUCT DESCRIPTION AND/OR GENERAL INFORMATION

The 2gr plastic eggs are a small-sized artificial product made of durable plastic, specifically designed for bird breeding.

The product accurately reproduces the shape and size of a real egg and is used by breeders for various purposes, including hatch synchronization.

The use of artificial eggs allows for better management of brooding and supports the animal's well-being during the breeding period. The product is reusable and easy to clean.

7. TARGET CONSUMER CATEGORY

Product suitable for bird breeders aged 14 and over. People with disabilities must be supervised during use.

8. ITEM CODE(S) AND IDENTIFICATION

- art. 10
- art. 10C
- art. 11
- art. 304
- art. 305

The product is identified by a label applied to the primary packaging, indicating the above product code.

Alternatively, if present, identification can appear on the secondary sales packaging, as in this specific case.

9. PACKAGE CONTENTS

- art. 10 – 100 pcs
- art. 10C – 100 pcs
- art. 11 – 100 pcs
- art. 304 – 50 pcs
- art. 305 – 50 pcs

10. PACKAGING QUANTITY

As specified in point 9.

11. STORAGE (before use)

Store in a dry place, away from direct heat sources and moisture.

Avoid prolonged exposure to sunlight to preserve the quality of the materials.

12. SUPPLY CONDITION

The product is sold to the distributor and/or retailer in a plastic bag, and for art. 11, in a cardboard box.

13. PRODUCT APPEARANCE

If the product is damaged, incomplete, or shows any anomaly, do not use it. Contact the retailer for a replacement. The product requires no assembly and only needs to be placed in the cage.

14. ASSEMBLY

The product does not require any assembly prior to use.

15. PRELIMINARY ACTIVITIES BEFORE USE

Before using the plastic eggs, check that each piece is intact, free of cracks, deformations, or production residues.

Before placing them in the nest, make sure the dimensions are suitable for the bird species and that the eggs can be positioned stably, without the risk of rolling.

16. PRODUCT LIFESPAN

Once installed and used according to these instructions, the product can last for at least 1 year.

17. WARNINGS

Keep packaging and small parts out of the reach of children and animals.

In particular, the bags and very small eggs may pose a choking hazard.

In the event of a fall, check the integrity of the product before reuse.

The user must ensure safe operating conditions and avoid any situation that could pose a potential hazard to themselves or others.

Strictly follow the intended use specified herein; any other use is PROHIBITED and therefore considered improper.

Vulnerable and/or highly vulnerable individuals may approach the product only if accompanied by a responsible adult.

19. PLACE OF USE

Avoid direct exposure to sunlight and contact with heat sources such as stoves, ovens, or radiators, in order to prevent premature aging of the materials or, under certain conditions, their damage, which could compromise usability.

20. ACCESSORIES/OPTIONAL ITEMS

No optional accessories are available.

21. COUNTRY OF ORIGIN

Product of Italian origin.

22. INTENDED USE / PERMITTED USES / HOW TO USE

The use of plastic eggs is permitted exclusively as support for bird breeding and ornithological observation activities and does not involve any contact with food or other improper applications. The eggs must be gently placed inside the nest, ensuring that they are stable and size-compatible with the hosted bird species.

Real eggs may be temporarily replaced or integrated, always following the management practices intended to ensure animal welfare.

After use, the eggs can be removed, cleaned, and stored in a dry place protected from direct light.

23. PROHIBITED USES

- Do not remove the eggs while the bird is present to avoid disturbing brooding.
- Do not use the eggs for purposes other than bird breeding. This is not a toy.
- Keep the product out of the reach of children or pets to prevent damage or accidents.
- Do not expose the product to heat sources, open flames, or excessive humidity, as it may deform or deteriorate.
- Use in human food environments is strictly prohibited.

24. MAINTENANCE / CLEANING

To ensure a longer product life, regular maintenance is recommended:

- Clean with lukewarm water and a neutral detergent.
- Do not wash in a dishwasher.
- Do not use water hotter than 40°C (104°F).
- Wash separately from other objects intended for different uses (e.g., food-related).
- Do not dry the product using heat sources such as an oven, hair dryer, or direct sunlight to prevent deformation or damage to the materials.
- Use only soft cloths to avoid damaging the product's surface.

25. STORAGE DURING TEMPORARY NON-USE

Before storing the product, make sure to wash all parts thoroughly with lukewarm water and a neutral detergent, drying them completely to avoid mold or unpleasant odors. Once dry, store the product in a dry place, away from humidity and direct heat sources, to preserve its integrity over time.

26. DISPOSAL

The product must be disposed of in accordance with the regulations in force at the place of use.

If you do not have access to the internet and cannot download the user instructions from www.2g-r.com, please contact the retailer from whom you purchased the product to request a printed copy before use.
The retailer is required to provide you with printed instructions upon request.
